Welcome to Our City View Community

City View Community Association, established in the 1950's, has a long history in Nepean and now Ottawa. Our volunteer run Community Association is busy bringing our neighbourhood's interests and concerns to the City of Ottawa. We make sure we stay informed and current on our neighbourhood and city issues. We continue to organize events throughout the year to bring new and old community members together, to meet each other, and create a strong, positive sense of community and belonging. Some of the initiatives we are proposing and working on:

Neighbourhood Watch is a crime-prevention program that gets citizen's involved in discouraging and preventing crime by watching out for our neighbours and their property.
