In order to get funding from the city of Ottawa towards the purchase Of 21 Withrow Avenue, Councillor Chiarelli has stated we must prove our community support. He suggested a tax levy of \$5 a month for a maximum of 10 years. Similar levies are being paid by residents of Alta Vista and Kanata North for community projects.

If we demonstrate our grassroots support the city has (Councillor Chiarelli) said they will support the purchase of 21 Withrow. Once we have city backing the provincial and federal governments will then consider additional funding.
